

MAJIC[®] RUST KILL

Barbeque Black Spray Enamel

FEATURES

- Durable heat resistant enamel
- Specially developed to renew and protect grills, stoves, and fireplaces
- Will not crack, bubble or peel
- Excellent brushing and leveling qualities

DESCRIPTION & USES

Rust Kill Barbeque Black Spray Enamel is a durable, heat resistant enamel. Specially formulated to renew and protect grills, stoves and fireplaces. Maintains a good-looking, long-lasting finish that withstands heat up to 1300° F without cracking, bubbling or peeling. For interior and exterior use.

PRODUCTS & SIZES

8-2020 BBQ Black. Available in 12 oz. spray.

SURFACE PREPARATION

All surfaces, new or previously painted, must be clean, dry and free of dust, dirt and grease. Remove loose, scaling paint by wire brushing, scraping or sanding. Glossy surfaces and all protected areas not exposed to normal weathering should be dulled by sanding. Remove oil residues from new metal surfaces by cleaning with rags saturated in mineral spirits. Surfaces with extensive rust or heavy oxidation should be cleaned to remove loose scale, dust and debris.

APPLICATION

Always apply paint at room temperature (70°-80° F). To ensure color uniformity and prevent clogging. SHAKE CAN vigorously for at least one minute after mixing ball rattles. Hold can in an upright position 10" to 16" from the object being sprayed. Press spray button with a twisting motion with top of can and spray button opening pointed away from you. Always clean spray button immediately after use by turning can upside down and pressing spray button until no more paint comes out.

PHYSICAL PROPERTIES

RESIN TYPE	Silicone/ Alkyd/Petroleum/Resin
SOLVENT	Refer to MSDS
VOC / MIR (sprays)	<1.85
FILM THICKNESS	Mils Wet- N/A Mils Dry- N/A
COVERAGE	Up to 18 sq ft/can @ 1 mil
DRY TIMES AT 77°F AND 50% RELATIVE HUMIDITY	1 Hour To Touch 4 Hours To Recoat
VISCOSITY	N/A
GLOSS	0 – 10 @ 60°
FINISH	Flat

Caution:

WARNING: If you scrape, sand, or remove old paint, you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH approved respirator to control lead exposure. Clean up carefully with HEPA vacuum and wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to www.epa.gov/lead.
